

# REEL LIFTER

**MOVE, FLIP & DISPENSE  
LARGE REELS OF CABLE &  
WIRE QUICKLY AND EASILY**

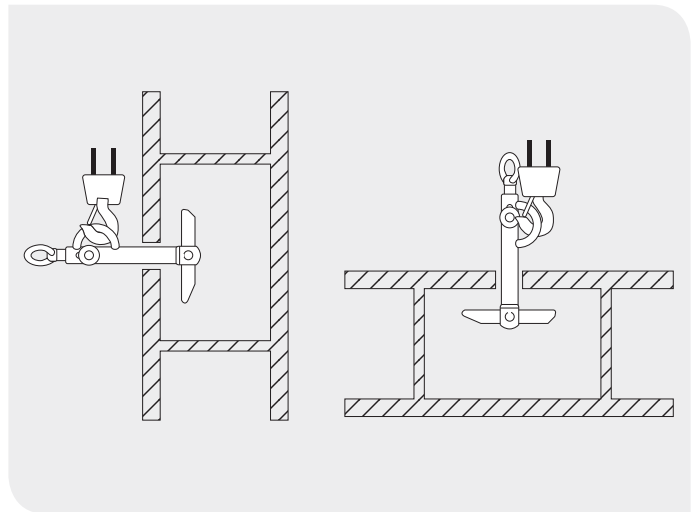

Makes handling large cable reels quick and easy, on-site or in warehouses.

- Rugged construction to lift and upend reels
- Easy rotation to unroll cable
- Counterweighted bottom arm for easy insertion in reel
- Side lifting eye allows reels to be put into a rolling or non-rolling position
- Repair kits available

The Slingco Reel Lifter is a high capacity, compact unit that allows users in the utility construction industry to safely load, transport, and dispense wire and/or cable on-site. It is also used in many industrial applications to make moving and relocating reels in a warehouse easy. Now a task that normally used a team of three or four people can be done with just one, allowing the crew to operate more efficiently!
