

Cable Protector Installation Kits

For safe and efficient cable protector fitting

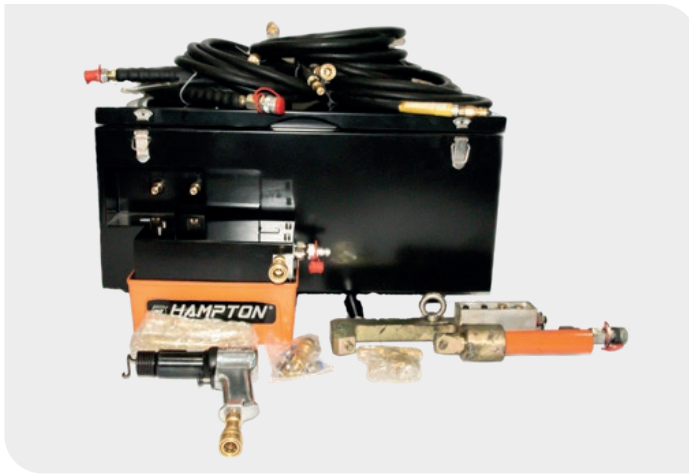

CABLE PROTECTOR INSTALLATION TOOL KITS

Slingco's line of Cable Protectors provide a safe, quick and efficient way of conveying and securing downhole cables into well-bores. They are ideal for the protection of any size ESP cables, control lines, umbilical cables and encapsulated bundles in well-bores.

Slingco's Cable Protector Installation Tool Kits allow you to safely and efficiently install Slingco cable protectors. Tool kits are available in pneumatic-hydraulic and manual configurations.
